RE: Letter of Recommendation for Christopher Odom

To Whom It May Concern:

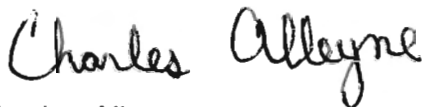

It is my sincere pleasure to recommend Christopher Odom as a candidate for a teaching position. I have worked as an independent filmmaker for over fifteen years and have taught filmmaking in various schools. I have known Chris for over five years during which time I've had the opportunity to work with him on three film projects. He has demonstrated the competence and professionalism needed to be an excellent filmmaker.

Chris's ability to direct various films and music videos has been with great creativity and good judgment. He has thorough knowledge in the area of editing as well as video production equipment. He has excellent writing skills that will be very useful in creating new and innovative ideas for your program.

In closing, I recommend Christopher Odom without reservation for consideration for a teaching position at your school. I can assure you that if he is selected, he will prove to be a valuable part of your video production program.

Should you think it is necessary or desirable, to speak with me personally, feel free to contact me at (213) 801-1190.

Sincerely,
