

Dear Christopher,

PROPS was created to celebrate the Full Sail culture of leadership, innovation, stewardship, creative contribution, and community involvement to continuously improve the environment for our learning community.

In June 2013, you were recognized for the Academic Innovation category by a staff member, Abraham Clark. The recognition was submitted as follows:

*I cannot choose enough positive adjectives to express how much I enjoyed Instructor Odom. He was very professional and kind. He is a leader that loves his job, and that is evident through action. He was always very clear in the communication department. Lastly, he was always consistent. I felt very comfortable about going to him and asking questions—and that's what's important. He was a true delight! Thank you Instructor Odom!*

*Abe Clark*

On behalf of Full Sail, I want to thank you for your passion and commitment to providing an outstanding education experience for our students.

*Angelique*
