

Dear Christopher,

PROPS was created to celebrate the Full Sail culture of leadership, innovation, stewardship, creative contribution, and community involvement to continuously improve the environment for our learning community.

In June 2013, you were recognized for the Academic Innovation category by someone who wishes to remain anonymous. The recognition was submitted as follows:

Professor Odom has excelled in giving his time and support to his students. He has made himself available above and beyond that needed for class and is very positive and supportive of our work.

On behalf of Full Sail, I want to thank you for your passion and commitment to providing an outstanding education experience for our students.

Grace and peace,

Angelique
