

Dear Christopher,

PROPS was created to celebrate the Full Sail culture of leadership, innovation, stewardship, creative contribution, and community involvement to continuously improve the environment for our learning community.

In June 2013, you were recognized for the Academic Innovation category by a student, Marina &quot;Twinkie&quot; Miller. The recognition was submitted as follows:

*Mr. Odom is a great teacher. He is able to convey the information in a way that is engaging and easy to understand. I felt like I could ask questions when I needed something clarified. Mr. Odom was available to answer questions when I had them, and remained understanding when consulted. I enjoyed this class and am excited to build upon the knowledge that I gained in this class. Thanks, Mr. Odom!*

On behalf of Full Sail, I want to thank you for your passion and commitment to providing an outstanding education experience for our students.

*Angelique*
