

Dear Christopher,

PROPS was created to celebrate the Full Sail culture of leadership, innovation, stewardship, creative contribution, and community involvement to continuously improve the environment for our learning community.

In June 2013, you were recognized for the Academic Innovation category by a student, Shannon Harris. The recognition was submitted as follows:

*Professor Odom offered me help through some struggling times. I was adjusting to an academic program that allowed creative freedom. He helped me make that adjustment easier. He was encouraging and helpful. His guidance helped me write an amazing short script that earned me a 100. I appreciate all of his help.*

On behalf of Full Sail, I want to thank you for your passion and commitment to providing an outstanding education experience for our students.

*Angelique*
